

Tyco Opt Out Checklist

To be excluded from the Tyco Settlement Class, a public water system that is an Eligible Claimant must complete the **Request for Exclusion** form by **September 23, 2024**. The Request for Exclusion form can be submitted electronically through the Tyco Opt-Out portal on the PFAS settlements website. Alternatively, a paper copy of the form can be submitted, but it must be served on the Opt-Out Administrator in accordance with Federal Rule of Civil Procedure 5 before the opt-out deadline.

1. **Electronic Form Submission:**

- The Opt Out Portal for electronic submission of a Request for Exclusion form can be accessed at <https://www.pfaswatersettlement.com/documents-tyco/>. Select “Online Opt Out Form” under the Opt Out Form section.
- If this is your first time submitting information on the PFAS settlements website, you will be required to register in order to access the electronic opt-out form.
- Each public water system that is an Eligible Claimant and elects to opt out of the Tyco settlement by electronically submitting Request for Exclusion must submit all required information to the Opt-Out Administrator through the Opt Out Portal by the September 23, 2024, deadline.
- The Tyco Opt-Out Portal requires that a filer (i.e., the person completing the Request for Exclusion on behalf of an Eligible Claimant) submit one Request for Exclusion per Eligible Claimant. In the event that a filer has authority over and intends to request exclusion for multiple Eligible Claimants, the filer will have the opportunity to carry over their filer information into subsequent Requests for Exclusion on behalf of additional Eligible Claimants.
- An Opt Out Form must be submitted on behalf of each public water system that wishes to opt out of the Settlement Class. Any public water system that is an Eligible Claimant and is not specifically identified in a Request for Exclusion will become a member of the Settlement Class and thus subject to the terms of the Tyco settlement agreement.
- Any Eligible Claimant that has elected to opt out may withdraw its Request for Exclusion at any time before the Final Fairness Hearing scheduled for **November 1, 2024**. Withdrawing a Request for Exclusion means that an Eligible Claimant will become a Class Member and subject to all terms of the Tyco Settlement Agreement.

2. **Paper Form Submission:**

- To submit a Request for Exclusion through paper form submission, an Eligible Claimant must complete the Opt Out Form, which is attached as Exhibit I to the Tyco settlement agreement. The Opt Out Form is also available to download from the PFAS settlements website at www.pfaswatersettlementoptout.com.
