This email is being forwarded to you because you have shown interest in the proposed Point-of-Use (POU) and Point-of-Entry (POE) Treatment – Permanent Regulations.

In response to comments received, State Water Board staff have proposed revisions to the text of the permanent regulations and extended the comment period to **February 2, 2018 at 12 noon**. Attached is a 15-day Notice of Public Availability of Changes to Proposed Regulations regarding Point-of-Use/Point-of-Entry Treatment.

Additional information on the proposed regulations can be found at:
