California Department of Public Health
MEMORANDUM

DATE: August 18, 2009

TO: Leah Godsey Walker, Chief
Drinking Water Technical Programs Branch

FROM:  Addie Aguirre, Chief
Safe Drinking Water State Revolving Fund Administration Section

SUBJECT: Recommendation to Authorize Funding Agreement to **City of Ceres**, Project No. **5010028-002** for Funding under Safe Drinking Water State Revolving Fund, American Recovery and Reinvestment Act (ARRA)

The California Department of Public Health (CDPH) has completed its evaluation of the above referenced project for funding under Safe Drinking Water State Revolving Fund, American Recovery and Reinvestment Act (ARRA). It is recommended to authorize a funding agreement for this project.

The following information should be included in the Funding Agreement:

1. Supplier Legal Name: **City of Ceres**
2. Project Number: **5010028-002**
3. **Supplier** is a **Public Agency** the County of **Stanislaus**, State of California.
4. The purpose of the funding is to assist in financing a project which will enable **Supplier** to meet safe drinking water standards.
5. The total ARRA project cost is estimated to be **\$455,000** of which **\$455,000** is considered ARRA total eligible project costs.
Type of Assistance: **100% (One Hundred Percent) Forgiveness of Principal**
6. Total ARRA fundable cost **\$455,000**
Forgiveness of Principal: **\$455,000**
Loan Amount: **\$0**
7. The **Supplier's** cost for this project is estimated to be **\$0**
8. The reasonably expected useful life of the project facilities is **20** years.
9. Supplier's Grant Administrator shall be its' **Director of Public Works**.

10. Supplier's Official Notices shall be sent to:

**City of Ceres
Director of Public Works
2220 Hackett Road
Ceres, CA 95307-3600**

11. The Project shall be constructed in accordance with the plans and specifications approved by State on **June 16, 2009**.

Supplier shall complete the project no later than **August 31, 2010**.

12. Rate of Interest: **N/A**

13. Term of Loan: **N/A**

The Funding Agreement should contain the following Special Conditions

1. The Supplier shall notify CDPH's **Stockton** District Office when the project construction is 50% complete.
2. The Supplier shall notify CDPH's **Stockton** District Office when construction is completed and prior to any start-up testing of the treatment facilities.
3. The Supplier shall submit a permit amendment application to the CDPH's **Stockton** District Office no later than six months after the certification of project completion.
4. Notwithstanding any term or condition to the contrary in the agreement, including but not limited to Article A-8, the Supplier may place a project facility into operation prior to completion of the Project if prior written approval is obtained from the CDPH **Stockton** District Office.
5. If archaeological features or materials are unearthed during any phase of project activities, all work in the immediate vicinity of the find shall halt until the City of Ceres has contacted a qualified archeologist who will determine the significance of the resource.
6. If human remains are exposed by project-related activity, the City of Ceres shall comply with California State Health and Safety Code, Section 7050.5, which states that no further disturbance shall occur until the County Coroner has made the necessary findings as to origin and

disposition pursuant to California Public Resources Code, Section 5097.98. The City of Ceres will provide the opportunity for (a) Native American monitor(s) to participate in the identification, evaluation, and mitigation of effects upon, any Native American human remains or cultural resources inadvertently exposed during the proposed undertaking. Consultation with personnel designated by the Native American Heritage Commission would be acceptable. Should tribal representatives agree to consult on any such discoveries; the costs incurred will be the responsibility of City of Ceres.

7. Any significant changes or additions to the existing project components which trigger further environmental review may result in cancellation or revocation of this funding agreement.
