

SECTION 1511 CERTIFICATION

The authorized representative of the California Department of Public Health hereby certifies, and/or affirms previous certification(s), that this Project has received the full review and vetting required by law and that such representative accepts responsibility that the Project is an appropriate use of taxpayer dollars. Subject to the provisions of this Agreement, the following general description is provided in order to comply with Section 1511 of the American Recovery and Reinvestment Act of 2009 (ARRA).

Applicant Name: Weaverville Community Services District

Project Number: 5310001-009

DUNS Number: 167338581

Project description: The District is proposing to add raw water, contact clarification improvements to the West Weaverville WTP in order to reclassify the plant from in-line to direct filtration. Convert from in-line filtration to direct filtration, optimization of coagulant addition will be accomplished through the use of a streaming current controller, adjustable speed coagulant dosing pumps and individual filter turbidimeters. To improve security using automatic shut off valves. To improve reliability an emergency power manual transfer switch and emergency generator will be included.

Estimated total cost of the Project: \$495,100

Type of assistance: 100% (One Hundred Percent) Forgiveness of Principal

Interest Rate: N/A

Estimated amount of ARRA funds to be used: \$495,100

Forgiveness of Principal: \$495,100

Loan Amount: \$0

MEMORANDUM

DATE: August 4, 2009

TO: Leah Godsey Walker, Chief
Drinking Water Technical Programs Branch

FROM:  Addie Aguirre, Chief
Safe Drinking Water State Revolving Fund Administration Section

SUBJECT: Recommendation to Authorize Funding Agreement to **Weaverville Community Services District**, Project No. **5310001-009** for Funding under Safe Drinking Water State Revolving Fund, American Recovery and Reinvestment Act (ARRA)

The California Department of Public Health (CDPH) has completed its evaluation of the above referenced project for funding under Safe Drinking Water State Revolving Fund, American Recovery and Reinvestment Act (ARRA). It is recommended to authorize a funding agreement for this project.

The following information should be included in the Funding Agreement:

1. Supplier Legal Name: **Weaverville Community Services District**
2. Project Number: **5310001-009**
3. **Supplier** is a **Public Agency** in the County of **Trinity**, State of California.
4. The purpose of the funding is to assist in financing a project which will enable **Supplier** to meet safe drinking water standards.
5. The total ARRA project cost is estimated to be **\$495,100** of which **\$495,100** is considered ARRA total eligible project costs.
Type of Assistance: **100% (one hundred percent) Forgiveness of Principal**
6. Total ARRA fundable cost: **\$495,100**
Forgiveness of Principal: **\$495,100**
Loan Amount: **\$0**
7. The **Supplier's** cost for this project is estimated to be **\$0**.
8. The reasonably expected useful life of the project facilities is **20** years.
9. Supplier's Grant Administrator shall be its' **General Manager**.

10. Supplier's Official Notices shall be sent to:

**Weaverville Community Services District
General Manager
P.O. Box 1510
Weaverville, California**

11. The Project shall be constructed in accordance with the plans and specifications approved by State on **June 15, 2009**.

12. Supplier shall complete the project no later than **August 1, 2010**.

13. Rate of Interest: **N/A**

14. Term of Loan: **N/A**

The Funding Agreement should contain the following Special Conditions

1. Supplier is responsible for the implementation of practices equal to the urban water conservation "best management practices" of the California Urban Water Conservation Council.

2. Not later than six months following Supplier's certification of Project completion, as required by Article A-8(e), Supplier shall submit a permit amendment application for the Project facilities to the CDPH **Klamath** District Office.

3. The Supplier shall notify CDPH's **Klamath** District Office when the project construction is fifty percent (50%) complete.

4. Notwithstanding any term or condition to the contrary in this Agreement, including but not limited to Article A-8, the Supplier may place a Project facility into operation prior to completion of the Project if prior written approval is obtained from the CDPH's **Klamath** District Office.
