

CERTIFICATION FOR AGREEMENT TERMS

Funding Agency: State Water Resources Control Board
Funding Program: Drinking Water State Revolving Fund (DWSRF)
Applicant (Agency Name):

As the authorized representative for the Applicant, I have reviewed the [standard agreement](#) posted to State Water Board's Division of Financial Assistance website and the "[Potential DWSRF Flags Worksheet](#)" with competent legal counsel. I certify, to the best of my knowledge:

☐ The Applicant is able and willing to accept the terms outlined in the standard agreement. I confirm that there are no underlying concerns or impediments that would hinder our ability to fully execute the posted agreement in good faith. I am aware that the Funding Agency will generally not negotiate any terms outlined in the posted agreement with the Applicant as part of the funding process. I understand that the terms of the standard agreement are subject to change between the date of this certification and the date of execution of a funding agreement. The Applicant will be given the opportunity to review such changes, but this will not generally result in a new opportunity to negotiate terms.

☐ The Applicant will not be able to accept the standard agreement and will require legal negotiations.

I understand that the Funding Agency will rely on this signed certification in order to determine funding priority. False or inaccurate representations in this Certification may result in the Applicant's Project being removed from funding consideration and/or removed from Fundable List and may limit the Applicant's ability to be considered for future Fundable Lists.
