Introduction

This survey is for people who have already requested an exemption from curtailment for minimum human health and safety under the Russian River Emergency Regulations. In this survey you will report your compliance with continued diversion conditions and report diversion data.

This survey has space for reporting diversion multiple months. Each month you must log in and edit the survey to include that month's information and then proceed through the next page to save the information.

At the end of the survey, you must certify that all the information entered into the form is true and correct to the best of your knowledge under penalty of perjury. Please keep this in mind while filling out the form.

To navigate this survey, use the "Next" and "Prev" buttons to move forward or backward. On the final page, instead of a the "Next" button you will see a "Finish and Submit" button which will complete your survey. Your responses to each page will be saved when you continue to the next page.

If you encounter any issues, technical or otherwise, feel free to contact the State Water Resource Control Board at (916) 341-5318 or RussianRiverDrought@waterboards.ca.gov.
