

## Funding Opportunities for Farmers and Ranchers in Scott and Shasta River Watersheds – Webinar

State Water Resources Control Board (State Water Board), California Department of Fish and Wildlife (CDFW), and the United States Department of Agriculture (USDA) staff will hold a webinar to provide information about funding opportunities for farmers and ranchers impacted by drought. USDA and CDFW staff will present information about available funding sources and how to obtain funding, as well as answer questions. See webinar details below:

**Tuesday, November 15, 2022**

**2:00pm - 4:00pm**

**Zoom Link:**

<https://waterboards.zoom.us/j/99111789583?pwd=Rk0vazBaL0c0bDc2cki4Zk5tWU9NUT09>

You may also join the meeting by phone, at: (669) 900-9128

Meeting ID: 991 1178 9583

Passcode: 832601

**Background.** USDA and CDFW have funding available to farmers and ranchers impacted by drought. The presentations will cover eligible projects, how to apply, points of contact, and application deadlines. Funding sources that will be highlighted in the presentation include:

Emergency Assistance Program (ELAP) – USDA  
Livestock Forage Program (LFP) – USDA  
Noninsured Crop Disaster Assistance Program (NAP) – USDA  
Farm Loan Programs – USDA  
Wildlife Conservation Board Funding – CDFW  
Watershed Restoration Grants – CDFW

**Online Resources.** Additional information on these funding sources is available online:

- **USDA Funding Sources:** <https://www.farmers.gov/protection-recovery/drought>
- **CDFW Funding Sources:** <https://wildlife.ca.gov/Grants>
