**NOTICE IS HEREBY GIVEN** that the Lahontan Regional Water Quality Control Board (Lahontan Water Board) will hold a public hearing to receive oral comments and consider proposed revisions to the Clean Water Act (CWA) [Section 303\(d\)/305\(b\) Report \(2018 Integrated Report\)](#). The proposed revisions include recommended updates to the CWA Section 303(d) list of impaired waters, and a report of non-impaired waters under CWA Section 305(b).

After consideration by the Water Board, the Integrated Report will be provided to the State Water Resources Control Board (State Water Board) for consideration in combination with Water Board Regions 1 and 7 Integrated Report, after which the compiled report will be provided to the U.S. Environmental Protection Agency (USEPA) for approval.
