Comments on individual agenda items are welcome. A set of draft materials for each agenda item that will be considered by the Regional Water Board is mailed to each person on the interested parties list. If you wish to be added to our interested parties list for a specific agenda item, please contact the staff person listed with the item in this agenda notice.

For comments on an agenda item to be considered by the Regional Water Board, they must be submitted on or before the due date listed in the associated hearing notice, which is mailed to interested parties, and posted on the Regional Water Board's website.

For any item for which there is no due date specified by a specific hearing notice, all written submittals shall be due no later than 12:00 noon the Friday before the board meeting or workshop. Timely submittal of comments gives the Regional Water Board staff and the Regional Water Board members sufficient time to familiarize themselves with your concerns and for staff to address them.

The Regional Water Board may refuse to accept written comments submitted after the due date in the applicable hearing notice. Pursuant to title 23, California Code of Regulations,

section 648.4, the Regional Water Board may refuse to admit written testimony or evidence into the administrative record if it is not submitted to the Regional Water Board in a timely manner, unless the proponent can demonstrate why he or she was unable to submit the material on time or that compliance with the deadline would create an unreasonable hardship. Agenda items are subject to postponement. You may contact the designated staff contact person in advance of the meeting day for information on the status of any agenda item.

It is the policy of the State and Regional Water Boards to provide a work environment that is free from threats or acts of violence. Threats or acts of violence committed by, or directed at, any employee will not be tolerated. The Board will not tolerate derogatory conduct directed toward any person based on their race, national origin, religion, gender, sexual orientation, or similar characteristics.

Any person who appears before the Board has an obligation to represent their interest in a professional manner. The Board requests that all persons in or near a Board meeting refrain from engaging in inappropriate conduct. Inappropriate conduct may include disorderly, contemptuous or insolent behavior, breach of peace, boisterous conduct, violent disturbance or other unlawful interference in the Board's proceedings. Such conduct could subject you to contempt sanctions by the superior court (Gov. Code, §11455.10.).

The North Coast Water Board considers items which may result in Board action or direction to staff. We encourage input from all people interested in a given item or issue, so that when we act, our decision is based on all available information. We expect all statements made before this Board to be truthful, with no attempts to mislead this Board by false statements, deceptive presentation, or failure to include essential information.
