**Comments Received**

The Draft Waste Discharge Requirements Order No. R1-2022-0010 package for the Sonoma County Central Disposal Site was open for public comments from February 1, 2022, to March 18, 2022. Regional Water Board staff (Staff) received one written comment (email) submitted by the facility operator and “Discharger”, Republic Services of Sonoma County, Environmental Services Manager, Derek Cheney. No other written response was received within the public comment period.

Regional Board staff have reviewed and responded to the Dischargers Comment below:

**Specific Comment 1:** “As discussed earlier, we would like to move the annual reporting date from January 31<sup>st</sup> to February 15<sup>th</sup> to match reporting requirements in the revised MRP.”

**Response to Comment 1:** Staff concur with consolidating the Annual Reporting dates to February 15<sup>th</sup> and have accordingly revised this date within the MRP.
