- iv. Board Member Ex Parte Communication Disclosure - Board Members will identify any discussions they may have had requiring disclosure pursuant to Government Code Section 11430.50.

- v. **Public Forum** - Time will be reserved for the general public to address the Board on any subject relating to the Board's responsibilities. All persons wishing to address the Board should fill out a speaker card so that the Chair can determine the number of persons who wish to speak. In addition, the Chair may limit the overall time allocated to this item, if the number of speakers and the size of the agenda makes that necessary. **No more than 30 minutes will be allocated for the public forum in the morning; any appearances beyond this 30-minute time will be placed at the end of the regularly scheduled business.** The Chair requests that each person addressing the Board limit their presentation to three minutes. The three-minute time allocation may be shortened, as the Chair directs, to accommodate the Board meeting schedule. More lengthy items may be calendared for a future meeting.

**CONSENT CALENDAR
WASTE DISCHARGE REQUIREMENTS**

Note: The consent items are expected to be routine and noncontroversial. It is recommended that the Board adopt these items at the beginning of the meeting without discussion. If any interested party, Board Member, or staff member requests that an item be removed from the Consent Calendar, it will be considered separately.

California Environmental Protection Agency

Anyone requiring reasonable accommodation to participate in the meeting should contact Jean Lockett, Secretary, at (707) 576-2307, at least five days prior to the meeting. TTY users may contact the California Relay Service at 1-800-735-2929 or voice line at 1-800-735-2922.

Unless otherwise specified in the public notice for a specific item, the Board wishes to limit oral presentations from all parties (dischargers, staff, government agencies, the public, etc.) to 0.5 hour maximum per party, but may limit testimony to 3 minutes or less per party depending on time constraints. Interested persons should submit to the Regional Water Board office at 5550 Skylane Boulevard, Suite A, Santa Rosa, California, 95403, FAX (707) 523-0135, twelve written copies of all comments, technical reports, and other material concerning any matters on this agenda by 5:00 p.m. on October 10, 2002. This written material will be provided to the Regional Water Board Members along with the full agenda materials. In addition, persons submitting written comments and other materials should be present at the Regional Water Board Meeting and available for questions. The Board's general practice is to not accept new written materials on the day of the hearing. Comments at the above scheduled meeting should be limited to a summary of the previously submitted written materials, provided however, that upon a proper showing that information is available which was not available at the time the written materials were submitted, the Board may allow further submission of oral or written comments. If this showing is not made, the Board may refuse to accept written materials.

A copy of the procedures governing Regional Water Board meetings may be found at Title 23, California Code of Regulations, Section 647 et seq., and is available upon request. Hearings before the Regional Water Board are not conducted pursuant to Government Code Section 11500 et seq. The procedures may be obtained by accessing our web site at http://www.swrcb.ca.gov/water_laws/index.html.

The Regional Water Board processes requests for Water Quality Certification, pursuant to Section 401 of the Clean Water Act, to ensure that proposed federally-permitted activities will comply with the Regional Water Board's water quality standards. A listing of requests which are pending Regional Water Board staff action may be obtained by calling the office of the North Coast Regional Water Board at (707) 576-2220. The list may be obtained by accessing our web site at <http://www.swrcb.ca.gov/rwqcb1>.

The Regional Water Board provides routine public notices on proposed corrective actions and closure decisions related to cleanup on contaminated sites. These routine notices are published on our web site at <http://www.swrcb.ca.gov/rwqcb1> and a copy is maintained at our office for public review.

A quorum of the members of the Regional Water Board may recess for lunch; however, no business will be discussed.

Material presented to the Board, as part of testimony that is to be made part of the record must be left with the Board. This includes photographs, slides, charts, diagrams, written testimony, etc. All Board files pertaining to the items on this agenda are hereby made a part of the record submitted to the Regional Water Board by staff for its consideration prior to action on the related items.

All persons who actively support or oppose the adoption of waste discharge requirements or an NPDES permit being considered by the Regional Water Board must submit a statement to the Board disclosing any contribution of \$250 or more to any Regional Water Board Member. This requirement applies to contributions of \$250 or more made by the active supporter or opponent or his/her agent for use in federal, state or local elections within the last 12 months.

Also, all permit applicants and/or persons who actively support or oppose adoption of a set of waste discharge requirements or an NPDES Permit pending before the Regional Water Board are prohibited from making a contribution of \$250 or more to any Board Member for three months following a Regional Water Board decision on the permit application.

Any person affected adversely by a decision of the Regional Water Board may petition the State Water Resources Control Board (State Water Board), to review the decision. The State Water Board must receive the petition within 30 days of the Regional Water Board's meeting at which the action was taken. Copies of the laws and regulations applicable to filing a petition will be provided upon request.

The next Regional Water Board meeting is currently scheduled for November 7, 2002 in Eureka.
