Subject: Comment Letter -- 2016 Bay-Delta Plan Amendment and SED
Date: Monday, March 13, 2017 3:04:50 PM

Dear Bay Delta Plan,

Dear Chair Marcus and Board Members:

I want you to know that I support efforts to keep the Delta healthy and restore salmon habitat on the tributaries of the San Joaquin River. Instream flow standards must be set.

The Water Board should listen to the fisheries scientists and biologists and set the bar higher. I urge you to set the instream flows at 60% to ensure the salmon and the Delta ecosystem survive.

Sincerely,

Sincerely,

Cathy Barber
