Jos. F. Jackson  
Chief Engineer  
Fallbrook Public Utility District  
P.O. Box 2290  
Fallbrook, California 92088-2290

Dear Mr. Jackson:

Re: RESPONSE TO REQUEST FOR DEFERRAL OF HEARING—TENTATIVE ORDER  
NO. R9-2006-002

This is in response to your letter dated March 13, 2006 requesting deferral for one month of the Board's consideration of the tentative order.

I have reviewed your letter and do not find sufficient reason at this time to defer the Board's consideration of the tentative order. As planned, the Agenda Notice for the Board Meeting for April 12, 2006 will list the item for the Board's consideration.

As you can appreciate, a great deal of time and effort have been expended in the permitting process to reissue a NPDES permit to your agency. The numerous issues that your agency and your consultant have raised have been adequately addressed both in the tentative order and the Board's responses to comments. If there are remaining significant issues or new issues that you or your consultant choose to raise, you should inform me of those in writing so I can decide whether to defer the matter to a future Board meeting.

If you have any questions, please call Mr. Michael McCann at (858)467-2988 or Victor Vasquez at (858)636-3155.

Sincerely,

John H. Robertus  
Executive Officer
