EXECUTIVE OFFICER SUMMARY REPORT
June 11, 2008

- ITEM: 6
- SUBJECT: Total Maximum Daily Loads (TMDLs) for Indicator Bacteria, Baby Beach in Dana Point Harbor and Shelter Island Shoreline Park in San Diego Bay. The San Diego Water Board will deliberate and consider adopting an amendment incorporating the TMDLs into the Basin Plan. (Tentative Resolution No. R9-2008-0027). (*Wayne Chiu*)
- PURPOSE: The California Regional Water Quality Control Board, San Diego Region (Regional Board) will deliberate and consider adopting an amendment to the Basin Plan incorporating the TMDLs for indicator bacteria at Baby Beach in Dana Point Harbor and Shelter Island Shoreline Park in San Diego Bay.
- PUBLIC NOTICE: Previously discussed in the original Executive Officer Summary Report.
- DISCUSSION: Written comments were received from Heal the Bay (Supporting Document 6), County of Orange (Supporting Document 7) and US Environmental Protection Agency (Supporting Document 8). To the extent feasible before the scheduled Board meeting, the Regional Board tries to respond in writing to all written comments received and provide the comments and responses to the Board for consideration before the hearing. For comments received on or after the Friday before the scheduled Board meeting, the Regional Board will provide oral responses to all written comments yet to be responded to and written and oral comments submitted after Friday and up through the time of the hearing. Written responses have been prepared for comments received on the Tentative Resolution and Basin Plan amendment and Technical Report and Appendices A through M (Supporting Document 9). The comment letters and responses are provided for the Board's information.
- After considering the additional comments and consultation with the USEPA, Heal the Bay, San Diego Coastkeeper, City of Dana Point and County of Orange on June 5, 2008,

several revisions were made to provide additional clarification in the documents. An errata sheet (Supporting Document 10) is provided to show the revisions.
