

EXECUTIVE OFFICER SUMMARY REPORT
February 9, 2011

- ITEM: 5
- SUBJECT: Rescission of Waste Discharge Requirements:
U.S. Navy Milcon Project P-326, Milcon Project P-700, and
Homeporting Project, San Diego County; and
San Diego Unified Port District Tenth Avenue Marine Terminal
Maintenance Dredging, San Diego County
(Tentative Order No. R9-2011-0007) (*Fisayo Osibodu and Bob
Morris*)
- PURPOSE: To adopt tentative Order No. R9-2011-0007 rescinding Waste
Discharge Requirements (WDRs), Orders Nos. 93-18, 95-118,
2000-01, and 2001-0325.
- PUBLIC NOTICE: Notification of this action was posted on the San Diego Water
Board web page on January 7, 2011. This action satisfies the
public notification requirements of California Water Code,
Division 7 section 13167.5 for a 30 day notice.
- DISCUSSION: The following Orders were identified as active during a recent
internal review of the waste discharge requirement database,
although the subject projects were completed several years
ago. Documentation (Supporting Documents 1) confirming the
dates for completion of the projects subsequently was
provided by the dischargers. Consequently, tentative Order
No. R9-2011-0007 (Supporting Documents 2 & 3), which will
formerly rescind the Orders, was prepared for consideration by
the Board.
1. Order No. 93-18, *Waste Discharge Requirements for the
San Diego Unified Port District, Tenth Avenue Marine
Terminal Maintenance Dredging, San Diego Bay.*
- By letter dated October 19, 1998, the San Diego Unified
Port District (Port) requested the rescission of Order No.
93-18 based on the destruction of the confined disposal
facility. The Port notified the San Diego Water Board that
on June 4, 1998, the last of the sediments were removed
from the confined disposal facility at the Goesno Place
Repository, National City, California.

2. Order No. 95-118, *Waste Discharge Requirements for the U.S. Navy, Dredge and Fill Activities, Homeporting Project, San Diego County.*

On December 10, 2010, an email correspondence from the Water Program Manager at Naval Facilities Engineering Command Southwest (NAVFACSW) Environmental N45 confirmed that the Homeporting Project was completed on November 29, 1999.

3. Order No. 2000-01, *Waste Discharge Requirements for the U.S. Navy, Milcon Project P-700A, San Diego County.*

On December 10, 2010, an email correspondence from NAVFACSW confirmed that the Milcon Project P-700 was completed on April 30, 2002.

4. Order No. 2001-0325, *Waste Discharge Requirements for the U.S. Navy, Milcon Project P-326, San Diego County.*

On December 10, 2010, an email correspondence from NAVFACSW confirmed that the Milcon Project P-326 was completed on October 15, 2005.

KEY ISSUES:	The San Diego Water Board received documentation that the projects associated with the four WDRs Orders were completed. Thus the Orders should be rescinded.
