Re: Notice of Adoption of Order No. R9-2014-0041 for Conditional Waivers of Waste Discharge Requirements for Low Threat Discharges in the San Diego Region

Dear Mr. Mitchell:

Please accept this letter as Hanson Aggregates Pacific Southwest Inc. (Hanson) Channel Road Lakeside Plant (Channel Road) Notice of Intent (NOI) for conditional Waivers of Waste Discharge Requirements for Low Threat Discharges in the San Diego Region Order No. R9-2014-0041 for reference code 804775 located at 10332 Channel Road, Lakeside, CA. Hanson is requesting termination of Waste Discharge Requirements Order No. 88-65. In order to comply with the general and specific conditions of the Order and Slurry Waiver Channel Road diverts site drainage towards the mining pit so that slurries and water remain in the open pit area. Channel Road is enrolled in the Industrial Storm Water Permit as Facility WDID No: 937I015525.

Should you have any questions or require additional information, please contact me at (858) 715-5667.

Respectfully yours,

Re: Notice of Adoption of Order No. R9-2014-0041 for Conditional Waivers of Waste Discharge Requirements for Low Threat Discharges in the San Diego Region

Dear Mr. Mitchell:

Please accept this letter as Hanson Aggregates Pacific Southwest Inc. (Hanson) Miramar Plant Notice of Intent (NOI) for conditional Waivers of Waste Discharge Requirements for Low Threat Discharges in the San Diego Region Order No. R9-2014-0041 for reference code 804775 located at 9229 Harris Plant Road, San Diego, CA. Hanson is requesting termination of Waste Discharge Requirements Order No. 94-36 and enrollment into the Slurry Waiver with the San Diego Water Board. In order to comply with the general and specific conditions of the Order and Slurry Waiver the Miramar Plant diverts slurries and runoff into the former open mining pit and retention basins. The Miramar Plant is enrolled in the Industrial Storm Water Permit as Facility WDID No: 937I006224.
