RE: Comment – Tentative Resolution No. R9-2017-0006

Dear Mr. Felix:

Thank you for the opportunity to comment on the Resolution Designating San Diego Metropolitan Transit System In The San Diego Region As A Regulated Small Municipal Separate Storm Sewer System, Subject To State Water Board Order No. 2013-0001-DWQ, National Pollutant Discharge Elimination System (NPDES) Permit No. CAS000004. As a Phase I Municipal Separate Storm Sewer System (MS4) Copermittee, the City of San Diego supports the inclusion of additional small MS4 operators such as Metropolitan Transit System into the NPDES program. This will ensure greater oversight of storm water discharges into our waterways and improve water quality.

If you have any questions, please contact Ruth Kolb, Program Manager at (858) 541-4328 or rkolb@sanidiego.gov.

Sincerely,

Drew Kleis
