before

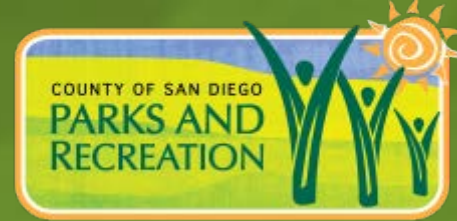

after

Trails construction and mitigation

Additional Efforts: Restoration

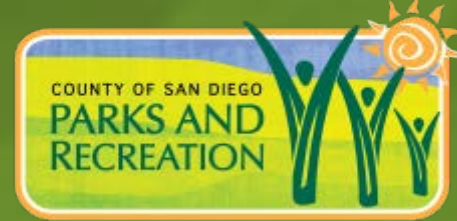

Additional Efforts: Restoration

Baseball Fields Restoration

Additional Efforts: Restoration

Monument Mesa Restoration

Additional Efforts: Restoration

Bird and Butterfly Garden Restoration

A wide-angle photograph of a desert landscape. The foreground and middle ground are filled with various green shrubs and trees, including what appears to be a large, bushy green plant in the lower left. The ground is sandy and light-colored. In the background, there are rolling hills under a bright blue sky with scattered white clouds.

THANK YOU
