BOARD MEETING

Public comments on agenda items were limited to 3 minutes or otherwise at the discretion of the Board Chair(s)

PUBLIC FORUM

Richard Boon, Chief of the Watershed Protection Division of Riverside County Flood Control and Water Conservation District, welcomed both Boards to Temecula.

Mr. Vince Bernard addressed the San Diego Water Board regarding the Commercial Agricultural Program. Mr. Anderson responded to his comments.

Mr. Terry Thielen addressed the San Diego Water Board regarding Lake San Marcos. Dr. Abarbanel asked Mr. Gibson to respond to Mr. Thielen's comments.

BOARD BUSINESS**1. Minutes of Board Meeting:**

- Region 7: January 16, 2020

Motion to adopt the proposed minutes:

2. State Water Board Liaison's Report. *These items were for Board discussion only. Public testimony was not allowed, and the Board took no formal action.*

Ms. Firestone provided an update on State Board activities and upcoming priorities, and she announced that the annual Salton Sea update would take place on March 18.

3. Board Member Reports

a. Region 7: Mr. Muzik reported that the City of Twentynine Palms is doing a joint wastewater project with the Marine base to upgrade the base's wastewater facility, for which the current budget has allocated \$76.5 million. Ms. Powell stated that the joint meeting of the two Regional Boards is an excellent idea, and she expressed the hope that it could be an annual event. Chair Wright thanked the City of Temecula for hosting the two Regional Boards for this meeting, and she announced that the Mission Springs Water District received a gold medal from the Berkeley Springs, West Virginia Water Tasting Competition

b. Region 9: Ms. Blair thanked Ms. Gonzalez from the Rincon Band for making the effort to attend today's meeting.

Mr. Anderson asked Mr. Muzik whether the wastewater project in Twentynine Palms would include a water recycling component. Mr. Muzik responded that he did not have the details of the project. Mr. Anderson also took the opportunity to compliment Ms. Firestone and the current State Board administration for "getting things done."

Ms. Cantú stated that the San Diego Water Board had been invited to participate at the Southern California Tribal Chairs Association Meeting on March 24 in Escondido. She indicated that she plans to attend, and she invited the other Board Members to join her.

c. Region 7 Executive Officer's Report: Ms. Rasmussen stated that Region 7 has selected a new Assistant Executive Officer to replace Frank Gonzalez, who retired in December. The new Assistant Executive Officer will be Cassandra Owens, formerly from Region 4, who will join Region 7 in a few weeks. She also reported a UST site closing in Palm Springs and a pending site closure in Blythe. Ms. Rasmussen also invited the public to participate in the Salton Sea update on March 18, as announced by Ms. Firestone.

d. Region 9 Executive Officer's Report: Mr. Gibson stated that the USEPA Region 9 stakeholder meeting for March 9 was cancelled without explanation or a new date. He also reported on state legislative action regarding the Newsom administration's recommendations on funding for the New River and the Tijuana River. Mr. Gibson stated that staff had been working with the Port of San Diego to schedule an outreach meeting with state legislators, and they have settled on two dates in April; he indicated that he should be able to announce that invitations have been issued during the April Board meeting. He also provided an update on COVID-19 procedures. Mr. Gibson further stated that he and Mr. Barker were scheduled to give depositions in the IBWC suit during the week of the May Board meeting, in light of which he asked the Board to consider cancelling that meeting, and he responded to Board Member questions.

4. Future Agenda Items: *Region 9 Board members discussed items for possible inclusion on future agendas*

Ms. Dorsey stated that this item is an opportunity for Board Members to suggest future agenda items to staff.

Mr. Strawn requested a briefing on the UCSD Climate Change Action Plan; Chair Abarbanel indicated that he could speak with his colleagues who had prepared that Action Plan to see if they could provide an informational item to the Board. Chair Abarbanel stated that staff should try to have the item on the April Agenda, but to schedule it for August if April is not practicable.
