

San Diego Water Board Meeting
Action Items
March 8, 2023
(Underlined names are responsible for the action)

Item 9: Future Agenda Items

1. During Item No. 9, Board Member Abarbanel asked for an update to the Board regarding the Southern California ROMS-BEC coastal water-quality model.

Course of Action: David Gibson will coordinate an informational item regarding the Southern California ROMS-BEC coastal water-quality model when additional information is available. Additionally, the Southern California Coastal Water Research Project recently produced a fact sheet regarding the model, and it was provided to the Board in the April 2023 Executive Officer's Report.

Hours needed to complete request: 40

Completion Date: Fall 2023
