

San Diego Water Board Meeting
Action Items
November 8, 2023
(Underlined names are responsible for the action)

Item 2: Chair's, Board Members', State Board Liaison's, and Executive Officer's Reports

During Item No. 2, Vice Chair Olson asked staff for information regarding the cost of the Per- and Polyfluoroalkyl Substances (PFAS) Destruction Demonstration system at General Atomics that was mentioned in the November 2023 Executive Officer's Report.

Course of Action: Brian McDaniel prepared an update for the Board in the December 2023 Executive Officer's Report that includes the requested cost information.

Hours needed to complete request: 20

Completion Date: December 2023
