

Operable Unit 17 – Hazardous Waste Generators at Solid Waste Management Unit 53, Naval Air Station North Island, Coronado, California

Staff Contact: Joe Whearty

The San Diego Water Board intends to issue a no further action letter for cleanup at Operable Unit 17 – Hazardous Waste Generators at Solid Waste Management Unit 53, Naval Air Station North Island, Coronado, California. This public notice fulfills the San Diego Water Board's obligation to inform the public of completed corrective action as required by California Code of Regulations (CCR), Title 23, Division 3, Chapter 16, Article 11, section 2728.

The 30-day public notification period ends on October 16, 2026. Any comments provided regarding this matter will be considered by the San Diego Water Board. The case files are available for public review by submitting a file review request to the San Diego Water Board office, or on-line from the GeoTracker database:
