

STATE OF CALIFORNIA  
REGIONAL WATER QUALITY CONTROL BOARD  
SAN FRANCISCO BAY REGION

STAFF SUMMARY REPORT (Bruce Wolfe)  
MEETING DATE: November 1, 2007

ITEM: 11

SUBJECT: **Greening the Bay: Financing Wetland Restoration in San Francisco Bay** –  
Information Item on Report by Save The Bay

DISCUSSION: In August, Save The Bay released its “Greening the Bay” report, which estimates the overall cost of restoring wetlands around the Bay, proposes a strategy for securing the funding needed, and indicates how the public could support this strategy. David Lewis, Save The Bay’s Executive Director, will brief the Board on the report and its proposed strategy.

RECOMMEN-  
DATION: Information item – no action required.
