Project City and County: Perris, Riverside

Applicant Organization: City of Perris

Applicant Name: Sean Motlagh

Waterboard Staff: TBA

Brief Description of Project:

Project Description: Construct a multi-use bicycle and pedestrian trail segment that provides a non-motorized transportation and recreation connection along the Perris Valley Storm Drain Channel/San Jacinto River corridor and improves access to the South Perris Metrolink Station.

Project Activities: The City of Perris proposes to construct Segment 2 of Phase II of the Perris Valley Storm Drain Channel Trail Project. The Project includes an at-grade low-flow Arizona crossing at the 7th Street Channel/San Jacinto River confluence, realignment to the east side of the San Jacinto River Channel, an 8-foot asphalt path, 4-foot decomposed granite path, gravel self-retaining areas, concrete at drainage crossings, and a slab bridge at Ditch A.
