Water right holders can get personal help using the new CalWATRS system, including setting up accounts and moving water rights.

To get help with creating your account, please bring:

- Your email address and password
- Your PIN #
- Your laptop or tablet (if available — computers will also be available on-site)

What are Drop-in Office Hours?

They are a casual time when you can drop in and get help.

No need to sign up — just come by when it works for you!
