
State Water Resources Control Board

NOTICE OF CORRECTED DATE OF RESUBMISSION

The State Water Resources Control Board
Administrative Hearings Office
held a hearing regarding the pending water-right application (A029657) of

The County of San Joaquin

for a permit to appropriate water from the
South Fork American River at the Freeport Regional Water Authority Facility
on the Sacramento River.

On January 27, 2022, the Administrative Hearings Office (AHO) of the State Water Resources Control Board released a draft proposed order in this matter for review and comment by the parties and issued an associated Notice of Draft Proposed Order (January 27 Notice). The January 27 Notice set a deadline of February 28, 2022, for the parties to submit written comments to the AHO on the draft proposed order.

In the January 27 Notice, the hearing officer vacated the prior submission of the matter to the AHO for preparation of a proposed order. The January 27 Notice erroneously stated that the matter would be deemed resubmitted on January 27, 2022. The January 27 Notice should have stated that the matter would be deemed resubmitted to the AHO on February 28, 2022, the date on which comments from the parties on the draft proposed order were due. This notice corrects the date of resubmission of this matter to **February 28, 2022**.

Date: April 18, 2022
