## State Water Resources Control Board

### **NOTICE OF TERMINATION OF PROCEEDING, IN PART**

The State Water Resources Control Board  
Administrative Hearings Office  
terminates, in part, the proceeding on the

Petition for Assignment of  
State-Filed Application 5634 and accompanying Water Right  
Application 5634X01 of

**Nevada Irrigation District,**

and Petition for Release from Priority of  
State-Filed Applications 5633 and 5634  
in favor of water right License 11120 (Application 10221) of

**South Sutter Water District.**

#### **TO ALL PARTIES:**

On August 13, 2014, Nevada Irrigation District (NID) filed a petition for partial assignment of State-filed Application 5634 and an accompanying water right Application 5634X01 with the State Water Resources Control Board (State Water Board or Board) Division of Water Rights. On May 18, 2021, the State Water Board's Executive Director assigned NID's petition for partial assignment and accompanying water right application to the Board's Administrative Hearings Office (AHO) to conduct an adjudicative hearing. In the same memorandum, the Executive Director assigned South Sutter Water District's (SSWD) petition for release from priority of state-filed Applications 5633 and 5634 in favor of water right License 11120 to the AHO for further proceedings. These two proceedings have been conducted by the AHO jointly.

The AHO held status conferences in the proceedings on August 31, 2021; January 18, July 20, and October 5, 2022; April 25 and October 26, 2023; and March 6, August 16, and November 18, 2024.

On October 15, 2024, NID informed the AHO that it had submitted a Request of Cancellation of Water Right Applications A005634 and A005634X01 to the State Water Board's Division of Water Rights. (2024-10-15 NID Status Conference Statement, p. 1.) Based on NID's request, the AHO is terminating that portion of this proceeding that pertains to NID's petition for assignment of state-filed Application 5634 and

E. JOAQUIN ESQUIVEL, CHAIR | ERIC OPPENHEIMER, EXECUTIVE DIRECTOR

accompanying water right Application 5634X01. The Division of Water Rights will process the request to cancel the petition and application. Any protests regarding the petition for assignment of state filed Application 5634 or accompanying water right Application 5634X01 will be considered canceled when the petition and application are canceled. The AHO is closing its file in this matter.

During the November 18, 2024 status conference, SSWD stated that it intended to maintain its request for releases from priority of state-filed Applications 5633 and 5634 in favor of water right License 11120. The part of this proceeding pertaining to SSWD's petition for release from priority of state-filed Applications 5633 and 5634 in favor of water right License 11120 will continue. A Notice of Hearing will be issued by the AHO separately.

Parties may contact the AHO at [adminhrгоffice@waterboards.ca.gov](mailto:adminhrгоffice@waterboards.ca.gov) to request to be removed from the Service List for this proceeding.

Date: December 9, 2024
