Dear RONALD CONN:

DRAFT CEASE AND DESIST ORDER DATED JUNE 18, 2012 FOR FAILURE TO FILE 2010 ANNUAL USE REPORT UNDER LICENSE 13315 (APPLICATION A022638)

On June 18, 2012, the State Water Resources Control Board (State Water Board), Delta Watermaster provided legal notice of the intent to proceed with formal enforcement for failure to file the 2010 annual use report under the subject right. You had 20 days from receipt of the draft Cease and Desist Order (CDO) to submit your 2010 annual use records through our online reporting system or face imposition of a \$1,000 per day liability. While the State Water Board was unable to notify you directly, you were informed of the failure to file the annual use report by an individual, Mr. John Herrick.

As of August 7, 2012, the Division has received a 2010 annual use report through our online reporting system for the subject right. Acting as your representative, with your permission, Mr. Herrick, filed the reports of licensees for 2010 and 2011. Since you have complied with the draft CDO's reporting requirement, no further enforcement action will be taken on the June 18, 2012 CDO. Please note, that if you did not submit your 2011 annual use along with your 2010 annual use, the report is due by July 1, 2012. To check the status of your annual use reports, including which years were submitted, please visit the Report Management System at, <http://www.waterboards.ca.gov/rms>

If you have questions or need assistance with the reporting system, please contact staff at 916-327-3289 or by email at: dsaechao@waterboards.ca.gov.

Sincerely,

A handwritten signature in black ink that reads "Craig M. Wilson".
