Subject: Re: Water Board Hearing on Delegating Its Authority

Dear Clerk to the Board,

If this resolution removes the decision-making process from the full State Water Board, I object to delegating authority solely to the Executive Director.

Opponents and proponents should have the eyes and ears of the full governing body, not just a single mind to persuade to their point of view.

Best regards,

Dale

Public Meetings

The State Water Board will hold a public meeting to accept comments on a proposed draft resolution to delegate authority to the Executive Director of the State Water Board to approve, on a case-by-case basis, the measures that owners or operators of existing power plants utilizing cooling water intake structures shall undertake to comply with requirements of interim mitigation.

The State Water Board will consider adoption of the proposed draft resolution at the meeting that will be held at:

Tuesday, August 4, 2015 - 9:00 a.m.
Joe Serna Jr.-Cal/EPA Headquarters Building

Coastal Hearing Room
1001 I Street, Second Floor
Sacramento, CA 95814

The State Water Board will accept public comments on the proposed draft resolution. Written comments must be received by **12:00 Noon on July 13, 2015** to the Clerk to the Board. Please see the notice below for detailed instructions on submitting comments and for additional information on the proposed draft resolution.

- Notice of Public Meeting and Consideration of Adoption and Notice of Opportunity to Comment - Comment Deadline is **July 13, 2015 by Noon**

Subject: Information sheet posted for Once-Through Cooling Policy mitigation measures delegation resolution

<waterboard_logo.jpg> This is a message from the State Water Resources Control Board.

An information sheet has been posted regarding the proposed resolution to delegate authority to the Executive Director of the State Water Board to approve, on a case-by-case basis, the measures that owners or operators of existing power plants utilizing cooling water intake structures shall undertake to comply with requirements of interim mitigation.

The information sheet is available at http://www.waterboards.ca.gov/water_issues/programs/ocean/cwa316/

Please direct questions to Dr. Kimberly Tenggardjaja at (916) 341-5473 (kimberly.tenggardjaja@waterboards.ca.gov) or Ms. Marleigh Wood, Senior Staff Counsel, at (916) 341-5169 (Marleigh.Wood@waterboards.ca.gov).
