

STATE WATER RESOURCES CONTROL BOARD

ACTION TAKEN: Amending the Statewide Water Quality Control Policy on the use of Coastal and Estuarine Waters for Power Plant Cooling

DOCUMENT NUMBER: State Water Resources Control Board
Resolution No. 2011-0033

I certify that the amending of the Statewide Water Quality Control Policy on the use of coastal and estuarine waters for power plant cooling was carried out in compliance with all applicable procedural requirements of Division 7 (commencing with Section 13000) of the Water Code.

Date: 1/19/2012

Michael A.M. Lauffer
Chief Counsel
