

5/4/10 Board Meeting  
Once Through Cooling  
Deadline: 4/13/10 by 12 noon

**From:** Bill Woodbridge <billwoodbr@aol.com>  
**To:** <commentletters@waterboards.ca.gov>  
**Date:** Tuesday, April 13, 2010 11:50 AM  
**Subject:** Once-Through cooling systems for power plants

Apr 13, 2010

Chairman Charlie R. Hoppin  
1001 I Street  
Sacramento, CA 95814

Dear Chairman Hoppin,

Please stop allowing the "once-through" cooling systems at our bayside and shoreline power plants to be used. They are killing all sorts of marine life. There are alternative methods to use.

Thanks,  
Bill Woodbridge

Sincerely,

Bill Woodbridge
