FROM: Vicky Whitney, Deputy Director
Division of Water Quality

DATE: October 1, 2010

SUBJECT: SUBMITTAL OF THE CALIFORNIA ENVIRONMENTAL QUALITY ACT
(CEQA) FILING FEE FOR THE A POLICY ON THE USE OF COASTAL
AND ESTUARINE WATERS FOR POWER PLANT COOLING

On May 4, 2010, the State Water Resources Control Board (State Water Board) adopted the statewide "Water Quality Control Policy on the Use of Coastal and Estuarine Waters for Power Plant Cooling" under Resolution No. 2010-0020. The Policy was approved by the Office of Administrative Law (OAL) on September 27, 2010.

The State Water Board's planning process has been certified as "functionally equivalent" under section 21080.5 of the California Environmental Quality Act (CEQA). Completion of the CEQA process involves filing of a "Notice of Decision" with the California Resources Agency and submittal of CEQA document filing fees with the Department of Fish and Game.

We are hereby submitting the CEQA document filing fees for State Water Board Resolution No. 2010-0020. Attached is a disbursement voucher and check in the amount of \$949.50. Please sign the two copies of the disbursement voucher and provide a receipt for payment.

NOTICE

Each project applicant shall remit to the county clerk on or before filing a Notice of Determination (see Public Resources Code, Section 21152) the fee required under Fish and Game Code Section 711.4(d). Without the appropriate fee, statutory or categorical exemption, or a valid no effect determination form, issued by the Department of Fish and Game (DFG), the notice of determination is not operative, vested, or final, and shall not be accepted by the clerk.

COLLECTION PROCEDURES FOR COUNTY GOVERNMENTS

1. The original cash receipt is to be issued to a project applicant when payment is made in conjunction with filing a Notice of Determination. The second copy is to be submitted to the DFG on a monthly basis. The remaining copies will be retained by the county (one for the lead agency and one for the county clerk).
2. For projects that are statutorily exempt or categorically exempt (Sections 15260-15285 or 15300-15333, Title 14, California Code of Regulations) and are filed with the county clerk, the cash receipt shall be completed and attached to the Notice of Exemption. No fee is due for statutorily exempt or categorically exempt projects.
3. For projects that the DFG has found to have no effect, the cash receipt shall be completed, and attached to the Notice of Determination; it is mandatory that a copy of the DFG No Effect Determination Form be attached to the Notice of Determination. If the project applicant does not have a No Effect Determination Form from DFG, then the appropriate filing fee is due.
4. Within 30 days after the end of each month in which the filing fees are collected, each county will summarize and record the amount collected on the monthly State of California Form No. CA25 (TC31) and remit the amount collected to the State Treasurer.

Identify the remittance on the State of California Form No. CA25 (TC31) as "Environmental Document Filing Fees" per Fish and Game Code Section 711.4.

DO NOT COMBINE THE ENVIRONMENTAL FEES WITH THE STATE SHARE OF FISH AND GAME FINES.

The following documents are to be mailed by the county clerk to DFG on a monthly basis:

- (A) A photocopy of the monthly State of California Form No. CA25 (TC31);
- (B) DFG/ASB copies of all cash receipts (including all voided receipts);
- (C) A copy of all DFG No Effect Determination Forms;
- (D) A copy of all DFG Notice of Determination filed with the county during the preceding month; and
- (E) A list of the complete name, address and telephone number of all project applicants for which a Notice of Determination has been filed. If this information is contained on the cash receipt filed with DFG under Section 753.5(e)(5), Title 14, CCR, no additional information is required.

Mail to:

Department of Fish and Game
