Subject: Request for Exception to California Ocean Plan

Trinidad Rancheria has received your letter dated October 18, 2004. Although it is unclear to me what the Rancheria's powers are to prevent historical practices, since we are required to maintain public access to the dock, we will assume for now that your letter is correct in assigning the responsibility to us as the dock owner. We would like to participate in your workshop with the intent to seek an exception to the Ocean Plan should this be an appropriate role for the Rancheria.
