EXECUTIVE DIRECTOR APPROVAL OF TOTAL MAXIMUM DAILY LOAD COMPLIANCE PLAN; STATEWIDE PHASE I MUNICIPAL STORMWATER PERMIT FOR THE CALIFORNIA DEPARTMENT OF TRANSPORTATION

Dear Mr. Takhar,

The State Water Resources Control Board (State Water Board) regulates stormwater discharges from the California Department of Transportation (Department) through the Statewide Phase I Municipal Stormwater Permit Order WQ 2022-0033-DWQ (Order). The State Water Board adopted the Order on June 22, 2022.

In accordance with the Order, the Department timely submitted its Total Maximum Daily Load (TMDL) Compliance Plan on June 22, 2023. After incorporation of State Water Board comments, the revised TMDL Compliance Plan was posted on the State Water Board's webpage for a 30-day public comment period that closed on October 15, 2024. After review of the public comments by State Water Board staff and subsequent meetings with the Department, the Department made minor revisions to the TMDL Compliance Plan consistent with the permit requirements.

With these revisions, the Executive Director approves the Department's TMDL Compliance Plan. If you have any questions regarding this approval, please contact Mary Boyd, Statewide Municipal Stormwater Program Manager, at Mary.Boyd@waterboards.ca.gov.

Sincerely,

A handwritten signature in black ink that reads "Eric Oppenheimer".

Eric Oppenheimer, Executive Director
State Water Resources Control Board

E. JOAQUIN ESQUIVEL, CHAIR | ERIC OPPENHEIMER, EXECUTIVE DIRECTOR
