Subject: Comment Letter-Construction Permit

Public Comment
Draft Construction Permit
Deadline: 6/11/08 by 12 p.m.

ATTENTION.

Jeanine Townsend, Clerk to the Board

this is not the solution to the problem .It is just another layer of confusion added to the already messed up policies of government to try and fix something that the government has no business dealing with. It will add unreasonable costs that our population in this building industry cannot pay.Plus,it opens up another avenue for lawyers who are out there trolling for something to sue someone over.In short this is BAD LAW.

Sincerely
Danny B.Green
