RE: Shell, Claim# 4967

I am the property owner next to the Shell Gas Station located at 3999 Douglas Blvd. in Roseville. I own the property next to the gas station on both sides and behind the station. I am very concerned about the encroachment of petroleum products from the gas station onto my adjacent properties. There is definitely an encroachment of petroleum products occurring from the Shell Station property onto our property to the east of the gas station at 3995 Douglas Blvd. and there is possibly also the same situation on the north side of the gas station at 8300 Sierra College Blvd.

I feel that the UST Cleanup Fund Claim should not be closed until I have assurance that my property is not affected by any contamination or encroachment of petroleum products.

Sincerely,

A handwritten signature in black ink, appearing to read "John Tanner".

John Tanner
