ORDER GRANTING RECONSIDERATION  
AND RESCINDING ORDER REVOKING LICENSE

BY THE BOARD:

A petition for reconsideration and rescission of Order Revoking License 4060 has been filed by the Fong Sacramento Fruit Ranch on June 30, 1982.

1. The petition describes actions leading to a mistake of fact resulting in the request for revocation of License 4060 and provides a basis for reconsideration as set forth in Section 737.1, Title 23, California Administrative Code.

2. The mistake of fact was caused by Fong Sacramento Fruit Ranch's conclusion that License 4060 was unnecessary since they had a contract with the U. S. Bureau of Reclamation for irrigation water. The actual fact is that retention of water right was a condition of the water rights settlement contract negotiated in 1965.

3. The Board finds that the petition for reconsideration and rescission of the the Order Revoking License 4060 should be granted because an excusable mistake of fact was made in requesting revocation of the license.

ORDER

IT IS HEREBY ORDERED THAT:

1. Order Revoking License 4060 is rescinded.
