ORDER APPROVING SETTLEMENT

In the Matter of the Violation of an Emergency Regulation

**PARTIES LISTED IN ATTACHMENT A
(GREEN VALLEY CREEK WATERSHED)**

BY THE ASSISTANT DEPUTY DIRECTOR FOR WATER RIGHTS¹

The Assistant Deputy Director for the Division of Water Rights of the State Water Resources Control Board (State Water Board) issued an [Administrative Civil Liability Complaint](#) (Complaint) to the parties listed in Attachment A (collectively "Parties") for failure to fulfill obligations under State Water Board Order WR 2015-0026-DWR² on December 15, 2015. Between December 17, 2015 and February 10, 2016, the Parties signed the Acceptance of Conditional Settlement Offer and Waiver of Right to Hearing and Reconsideration (Conditional Settlement). Between December 15, 2015 and February 11, 2016, the Parties submitted water use and supply information to the State Water Board.

The circumstances here support accepting the Conditional Settlement, as the State Water Board has received the water use and supply information and the signed Conditional Settlement.

I hereby approve the Conditional Settlement pursuant to my delegated authority. This approval shall not limit the authority of the Executive Director or the Deputy Director for Water Rights, as delegated, to initiate enforcement action for any violations not specified in the Complaint, or for violation of the terms of the Conditional Settlement.

(waiver enclosed) w/ following extenuating circumstances - ① I am elderly with no access to the internet / ability to respond by e-mail ② I live on a 4.25 acre parcel with an artesian well. I bought the property within late 80s and already had the well on it. It is deep but I don't have any idea how deep or how much water flows out of the well nor how much the actual use is since I have no way to measure it (it normally flows without pumping).
grazing animals and no agricultural use. It is basically a residence on a large piece of property.

Eeve Lewis

(If I need to do anything else to comply with the conditional offer, please send me that information by mail)

Thank you - Eeve Lewis

Additionally, the Recipient waives the right to reconsideration of any order adopting the settlement agreement. These waived proceedings are the venues through which the violations alleged in the ACL Complaint could be disputed.

Recipient agrees to comply with Order WR 2015-0026-DWR¹ by submitting the requested information electronically via the web through the Online Informational Order Form within 20 days of receipt of the ACL Complaint.

Recipient understands that this Acceptance and Waiver waives the Recipient's right to contest the allegations in the ACL Complaint and the civil liability amount for such violations.

Recipient understands that failure to fulfill the Recipient's obligations under Order WR 2015-0026-DWR and to submit the signed Acceptance and Waiver within 20 days of receipt of the ACL Complaint, shall render the Conditional Offer void. If the Conditional Offer is deemed void due to Recipient's non-performance, then the Assistant Deputy Director for Water Rights will issue a final ACL Order for the amount of \$2,500 for violations up to December 10, 2015, and shall seek recovery. Continued failure to submit the requested information electronically via the web through the Online Informational Order Form may result in additional penalties or enforcement action.

Recipient understands that providing incomplete data or data that are not true and correct to the best of Recipient's knowledge could subject the Recipient to additional fines and void the settlement agreement.

Recipient understands that this Acceptance and Waiver does not address or resolve liability for any violation that is not specifically identified in the ACL Complaint. Once signed (executed) by Recipient, the Acceptance and Waiver shall be mailed to the following address:
