2. Senate Bill X7-8 authorized the State Water Board to adopt regulations requiring online reporting of water diversions. Consistent with the Senate Bill, the State Water Board has adopted regulations requiring annual reporting of water diversion and use under permits and licenses (Annual Use Report), and developed an online Report Management System as a component of the enhanced Water Right Information Management System (eWRIMS). Electronic reporting has been required since 2009. The regulation specifying annual permittee and licensee reporting requirements is codified at Title 23, Chapter 2.7, Article 2, sections 925 and 929 of the California Code of Regulations (Regulations).
3. On February 19, 2016 the Division of Water Rights (Division) issued a notice to Deridere Aper Vinea, LP, reminding the diverter: (a) of the requirement to submit the 2015 Annual Use Report by June 30, 2016 as required pursuant to the Regulations, and (b) notifying Deridere Aper Vinea, LP that the 2015 Annual Use Report must be filed online. The notice provided instructions on how to access the RMS system and submit the 2015 Annual Use Report online and also notified Deridere Aper Vinea, LP to contact the Division by phone or email with any questions regarding the reporting process.
4. Deridere Aper Vinea, LP failed to submit the 2015 Annual Use Reports for Permit 21219 (A030815), Permit 20699 (A030132) and License 10708 (A021235) online by the deadline, June 30, 2016.

On August 25, 2016, the Division mailed out a deficiency letter requesting that the 2015 Annual Use Reports for Permit 21219 (A030815), Permit 20699 (A030132) and License 10708 (A021235) be submitted within 30 days and warned of the potential for enforcement with monetary penalties should the violation persist.
6. On September 2, 2016 the Managing Partner of Deridere Aper Vinea, LP (Page Seaver) sent a letter to the Division, stating that he has historically been unable to comply with the regulations due to an inability to navigate the electronic forms since the inception of electronic filing in 2009. The letter further states that Mr. Seaver contacted Division staff but was still unable to successfully input the diversion data.
7. On November 28, 2016, the Division Prosecution Team issued two Administrative Civil Liability Complaints ("ACLC") against Deridere Aper Vinea, LP. The first ACLC alleges that Deridere Aper Vinea, LP failed to submit the 2015 Annual Use Report for Permit 21002 (A029313) by the June 30, 2016 deadline in violation of section 925 of the Regulations. Deridere Aper Vinea, LP did not receive an ACLC for failure to file an Annual Use Report for Permit 20699 due to the *de minimis* face-value of the water right.
8. The ACLCs each recommend an Administrative Civil Liability in the amount of \$10,000 for this violation, and each includes a settlement offer with reduced liability of \$250, provided the required Annual Use Report is submitted within 20 days and there is a waiver of right to hearing and reconsideration.
