

**KREUSE CREEK PREMIUM VINEYARD
MAP TO ACCOMPANY PERMIT 20428
(APPLICATION 29351)**

The following describes the changes proposed for the three locations described in Permit 20428 (Application 29351) by Kreuse Creek Premium Vineyard.

Permit dated February 26, 1990

- ONSTREAM STORAGE AND DIVERSION TO OFFSTREAM STORAGE
(1) SOUTH 1,100 FEET AND WEST 1,700 FEET FROM NE CORNER OF PROJECTED SECTION 13
- DIVERSION TO OFFSTREAM STORAGE
(3) SOUTH 100 FEET AND WEST 800 FEET FROM NE CORNER OF PROJECTED SECTION 13
- OFFSTREAM STORAGE AND POINT OF REDIVERSION
(4) SOUTH 200 FEET AND WEST 1,320 FEET FROM NE CORNER OF PROJECTED SECTION 13

For Petition - 2004

For location '1', it is proposed to remove the onstream storage completely. No changes are proposed for location '3'. For location '4', it is proposed to move the point of rediversion and offstream storage to a new site, approximately 1,000 feet to the west. The new point of rediversion and offstream storage is approximately 1,000 feet to the west and is shown on the map as 'New 4' and described below.
