**NOTICE OF WASTEWATER CHANGE PETITION WW0075**

COUNTY: Napa

STREAM SYSTEM: Napa River

The Napa Sanitation District has filed a wastewater change petition with the State Water Resources Control Board pursuant to Water Code section 1211. The petition seeks authorization to reduce the rate and volume of treated wastewater discharged from the Soscol Water Recycling Facility to the Napa River during the months of November, March, and April. The subject wastewater would be redirected to the Los Carneros Water District Service Area, where it would be used for irrigation of developed landscapes, vineyards, and other agricultural lands in Napa County.
