Re: Woodland-Davis Clean Water Agency's Petition to Change of Water  
Right Permit 20281 (Application 30358) for City of Woodland's Aquifer  
Storage and Recovery ("ASR") Program

Dear Mr. McFarland:

This firm represents the Woodland-Davis Clean Water Agency ("WDCWA"). Enclosed with this letter are the following documents for the above petition:

- Petition for change and environmental information form, with attachments 1 to 6;
- One paper and one mylar copy of engineer's map for change petition;
- The following documents for WDCWA's Supplemental EIR ("SEIR") for the ASR Program:
  - July 2015 Draft SEIR
  - September 2015 Final SEIR
  - WDCWA Resolution No. 2015-03 certifying SEIR
  - City of Woodland's Resolution No. 6537 adopting SEIR
- Check to State Water Resources Control Board for \$6,264 filing fee; and
- Check to California Department of Fish and Wildlife for \$850 fee under Public Resources Code section 10005.

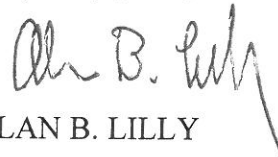

Although the SEIR also describes potential ASR wells in the City of Davis, the City of Davis is not pursuing construction of such wells at this time. Accordingly, the enclosed petition does not seek SWRCB approval of any City of Davis ASR wells.

WDCWA's address is 1717 5th Street, Davis, CA 95616.
