

LEGEND

- Approximate boundary of irrigated field
- - - Approximate boundary of Public Land Survey section (Township (T), Range (R), and Section number shown)
- - - Approximate boundary of Public Land Survey quarter-quarter

Notes:

1. Approximate Public Land Survey quarter-quarters are shown, based on USGS Quadrangle Sheet.
2. Not all sections have been established on the Quadrangle Sheet. Some sections and quarter-quarters are extended from established sections and quarter-quarters for purposes of this map.
3. Approximate locations of representative photographs of the White Slough Water Pollution Control Facility outfall (Point of Diversion) and of the City's irrigated fields (Places of Use) are indicated. Photographs are provided in an appendix.
