Subject: River Garden Farms' Notice of Petition

Patricia:

Please make the following three corrections to RGF's notice:

1) The following sentence should read: "To facilitate this transfer,
RGF will pump additional groundwater and reduce its direct diversion
from the Sacramento River by 19 cfs between July and October."

2) Omit the language: "At times when pumping capacity is not available
in the Delta, RGF proposes that the U.S. Bureau of Reclamation hold
water in storage in Shasta Reservoir until such time as pumping capacity
becomes available. Accordingly, the petition adds Shasta Reservoir as a
point of diversion. Forborne water made available under conditions that
do not permit its diversion from the Delta and/or storage in Shasta
Reservoir would be considered lost."

3) Downey Brand has moved its offices. RGF's new contact language
should be: "c/o Maja K. Haium, 621 Capitol Mall, 18th Floor, Sacramento,
CA 95814, FAX: (916) 520-5912."

Thanks.

Maja
