

State Water Resources Control Board

NOTICE OF PETITION FOR TEMPORARY CHANGE INVOLVING THE TRANSFER/EXCHANGE FROM DEPARTMENT OF WATER RESOURCES PERMIT 16482 (APPLICATION 17512) AND THE SPECIFIED LICENSE AND PERMITS OF THE U.S. BUREAU OF RECLAMATION

On March 25, 2015, the Department of Water Resources (DWR), and the U.S. Bureau of Reclamation (Reclamation) filed a petition for temporary change to transfer up to 335,560 acre feet of water pursuant to California Water Code section 1725 et seq. The petitioners request the temporary addition of the Central Valley Project (CVP) place of use downstream of the Jones Pumping Plant (Jones) to DWR Permit 16482 (Application 17512) and the temporary addition of the State Water Project (SWP) place of use downstream of Harvey O. Banks Pumping Plant (Banks) to Reclamation License 1986 and Permits 11885, 11886, 12721, 11967, 11887, 12722, 12723, 12727, 11315, 11316, 11968, 11969, 11970, 12860, 11971, 11972, 11973, and 12364 (Applications 23, 234, 1465, 5626, 5628, 5638, 9363, 9364, 9368, 13370, 13371, 15374, 15375, 15376, 15764, 16767, 16768, 17374, and 17376). According to the petitioners, the requested changes will allow them to more effectively and efficiently utilize the operational flexibility of the combined SWP and CVP facilities and water supply south of Banks and Jones. The petitioners state that the operational flexibility will, in turn, help minimize to some extent the severe impacts to water users south of the Delta caused by unavailability of adequate SWP and CVP Project water supplies in 2015. Approval of the petition will not increase the quantity or alter the timing of diversions from the Delta or San Joaquin River. All exchanges covered by the petition will occur south of the Delta and are intended to alleviate anticipated water supply shortages. The proposed exchanges involve: 1) Santa Clara Valley Water District; 2) Oak Flat Water District/Del Puerto Water District; 3) Kern County Water Agency/Kern Tulare Water District; 4) Arvin-Edison Water Storage District/Metropolitan Water District of Southern California; 5) Kern County Water Agency/Westlands Water District; 6) Dept. of Veterans Affairs – San Joaquin Valley National Cemetery; and 7) Musco Olive Products, Inc. The petitioners have requested the temporary changes become effective on May 1, 2015. Temporary changes involving the transfer/exchange of water may be in effect for one year from the date of approval.

Any correspondence directed to the petitioners should be mailed to both: 1) Department of Water Resources, c/o Nancy Quan, P.O. Box 942836, Sacramento, CA 94236-0001 or via email at nquan@water.ca.gov; and 2) U.S. Bureau of Reclamation, c/o Richard Woodley, 2800 Cottage Way, Sacramento, CA 95825 or via email at woodley@usbr.gov.

SWP and CVP License and Permits Subject to Temporary Change

SWP Water Rights		
Application Number	License (L) or Permit (P) Number	Description
17512	P16482	San Luis Reservoir
