Good Morning,

The California WaterFix hearing team is reviewing the revised Notices of Intent to Appear and would like to clarify whether David Aladjem still represents RD 800 (Byron Tract) or if Jeffrey D. Conway should now be listed as the representative on the service list? We can update the service list to include both Mr. Aladjem's and Mr. Conway's email addresses or we can delete Mr. Aladjem from the service list for the district and replace his information with Mr. Conway's. It is unclear what you intended. Who is the main contact for the district and should Mr. Aladjem's name and email address be removed? Please reply to this email and we will update the list accordingly. Thank you!

Sincerely,

Jean McCue
