**IDENTIFICATION OF WITNESS PANELS
AND SCHEDULING OF WITNESS
TESTIMONY**

15 Pursuant to the Hearing Officers' August 31, 2017 ruling, we have not identified any witness
16 panels for two our witnesses. However, should there be a witness panel regarding testimony on the
17 availability local and regional water supplies, reduced reliance on the Delta, and other public interest
18 factors, it would be appropriate to include Doug Obegi on that panel.
19

20 In addition, we request that the Hearing Officers identify a specific hearing date for the
21 testimony of the witnesses that NRDC will subpoena to testify, pursuant to our supplemental NOI, to
22 minimize the burden on these witnesses.
23

24 Finally, we will comply with the Hearing Officers' November 20, 2017 ruling, granting an
25 extension of time for submission of the testimony of Dr. Jon Rosenfield. Consistent with that ruling
26 and in light of Dr. Rosenfield's continued hospitalization and unavailability, we request that he be
27 scheduled to testify after the other witnesses.
