Re: WaterFix Change Petition Hearing - Proposed Panels and Order of Testimony

Dear Hearing Chair Doduc and Hearing Officer Marcus:

On behalf of our client the San Luis & Delta-Mendota Water Authority, we propose two panels of witnesses for direct testimony and cross-examination. The witnesses participating on the panels will be presented by the San Luis & Delta-Mendota Water Authority or one of its member agencies, the Santa Clara Valley Water District, the Westlands Water District, or the Grassland Water District. The testimony of all these witnesses relates to the public interest in ensuring that sufficient imported water supplies are available for the areas served by these agencies.

Panel 1

Jason Peltier, Executive Director, SLDMWA
Cindy Kao, Imported Water Unit Manager, Santa Clara Valley Water District
Jose Gutierrez, Asst. Chief Operating Officer, Westlands Water District
Dr. Michael Shires, Public Policy Analyst

Panel 2

Ricardo Ortega, General Manager, Grassland Water District
Eric C. Hansen, Terrestrial Species expert
Dr. Mark Petrie, Avian Species expert

Regarding order of testimony, for continuity we propose that Panel 2 follow immediately after Panel 1. As for order of testimony and cross-examination among all groups, the general order of parties followed in Part 1 is acceptable for Part 2 as well.

Sincerely,
