Re: County of Yolo's Submittal of Testimony and Exhibits for California WaterFix Petition for Change Hearing (Part 2)

Dear Hearing Chair Dudoc, Hearing Officer Marcus, and California WaterFix Hearing Staff:

Protestant County of Yolo ("County") hereby submits its written testimony and exhibits for Part 2 of the above-referenced hearing. This submittal includes written testimony by Panos Kokkas (Public Works Director), Steve Heringer (Heringer Estates Vineyards & Winery), Tom Slater (Slater Farms, Inc.) and Mark Wilson (Wilson Vineyards). Also included is the County's exhibit identification index and all exhibits listed thereon.

With regard to Part 2, the County has considered proposed groupings and order of parties for direct testimony in Part 2 of the hearing. The County intends to present the four witnesses whose written testimony is submitted concurrently herewith. The County would be amenable to a topical panel arrangement for its witnesses that groups them with similar witnesses proposed by other parties, as follows:

Transportation

Panos Kokkas (Yolo County)
Reza Moghissi (Sacramento County)
Kris Belagi (San Joaquin County)

Agricultural Issues/Transportation/Delta as a Place

Steve Heringer (Heringer Estates Vineyards & Winery)
Tom Slater (Slater Farms, Inc.)
Mark Wilson (Wilson Vineyards)
Daniel Wilson (Riverside Elevators/Riverside Transport)

As many of the transportation-related topics expected to be covered by each panel have a shared foundation, the County believes it would be most efficient and informative for the panels to present in the order listed above, either on the same day or otherwise very close in time.

State Water Resources Control Board

Page 2 of 2

The County expects counsel for Sacramento County, San Joaquin County, and Daniel Wilson will submit proposed groupings that align with the proposal set forth above. If that does not occur, the County is willing to consider other arrangements proposed by hearing staff to promote efficiencies.

As a final matter, the County is submitting a revised NOI to remove three witnesses that are no longer expected to provide direct testimony. The revised NOI is submitted concurrently herewith.

The County appreciates your consideration of this submittal. Please do not hesitate to let me know if you have any questions.

Very truly yours,

Philip J. Pogledich
County Counsel
