*Re: SDWA Parties Submittal of Cross Examination Exhibits for Part 2  
of the California WaterFix Change Petition*

Dear Hearing Officers and Hearing Staff:

On April 13, 2018, the SDWA Parties submitted SDWA-315 which I introduced during cross examination of Restore the Delta on or about March 29, 2018. The SDWA Parties herein request that SDWA-315 be moved into evidence. On April 24, 2018, during his cross examination of Dr. Rosenfield, Mr. Herrick referred to SWRCB-103 (Scientific Basis Report in Support of New and Modified Requirements), SWRCB-105 (US Fish and Wildlife Service's June 23, 2017 BiOps for CWF), and SWRCB-106 (National Marine Fisheries Service June 16, 2017 BiOps for CWF). To the extent these three exhibits have not been previously accepted into evidence, the SDWA Parties herein request that they be moved into the evidentiary record at this time.

Please do not hesitate to contact me should you have any questions.

Very Truly Yours,

MOHAN, HARRIS, RUIZ,  
WORTMANN, PERISHO & RUBINO

  
S. DEAN RUIZ, ESQ  
Attorney for the SDWA Parties
